**Information on the processing of personal data pursuant to Art. 13 European Regulation No. 679/2016**

1. DATA CONTROLLER:  
RedMoto Srl with head office in Via Filippo da Desio, 47 - 20832 Desio (MB).
2. PURPOSE OF PROCESSING:
  - a) Management of the relationship with the interested party (Customer and/or potential Customer) in relation to the purchase of Redmoto products and related processing operations (delivery, invoicing, warranty management, etc.)
  - b) Direct and indirect marketing activities, through the forwarding of promotional communications to the data subject by means of various communication methods indicated below.
3. DATA RETENTION PERIODS  
The data shall be kept for the time necessary for the execution/management of the relationship with the Customer, including the needs for the execution of the warranty and/or any product "recall/update" campaigns, in accordance with the provisions in force, as well as, limited to direct and indirect marketing purposes, for a period consistent with the purposes and commercial dynamics connected with the very nature of the product.
4. NATURE OF CONTRIBUTION  
The provision of data is free, but the refusal to provide certain data may make it impossible to perform the services pertaining to the customer relationship.  
Consent for marketing purposes may in any case be withheld without this entailing any burden or damage to the data subject in relation to his position vis-à-vis the Controller.
5. TYPE OF DATA PROCESSED  
Personal data, billing data as well as data concerning commercial choices made limited to marketing purposes.
6. MODE OF TREATMENT  
Data processing may be carried out both by manual and computerised means. It will also be possible for the processing to be carried out by automated means; in relation to this specific mode of processing, the data subject will be able to request not to be subjected to decisions deriving from the same in the same manner as indicated for the exercise of the generality of his rights (point 8).
7. SCOPE OF DATA DISSEMINATION  
The data may circulate within the owner company within the limits of what is necessary to pursue the above-mentioned purposes and in any case in compliance with the security measures necessary to avoid loss or leakage of the data.  
The data or some of the data may be disclosed to other Honda entities as well as within the circuit of "RedMoto Dealers" and service providers who process the data on behalf of the Controller. The data will not be disseminated in any way.
8. RIGHTS OF THE DATA SUBJECT  
At any time, the person concerned may exercise the rights set out in Articles 15 et seq. of European Regulation No. 679/2016, namely: the right to know whether their personal data is being processed and thus to know its content and origin, to verify its accuracy or request its supplementation, deletion, limitation, updating, rectification, transformation into anonymous form or blocking, as well as the right to oppose in any case, for legitimate reasons, its processing and to lodge a complaint with the Personal Data Protection Authority.  
The consent given to the processing may be revoked at any time, resulting in the interruption of the processing.  
These rights may be exercised vis-à-vis the Controller as identified above by sending an email to the pro-tempore Privacy Officer at [info@redmoto.it](mailto:info@redmoto.it).

The undersigned \_\_\_\_\_ declares that he/she has read the information contained herein.

With reference to the marketing activity (point 2 letter, a), please fill in correctly the fields of the form below concerning the "consent", with the clarification that the same may in any case and at any time be modified and/or revoked in the manner provided below.

I would like to receive information/newsletters/updates on products and related direct and indirect marketing initiatives from RedMoto.

I wish to receive information through the following channels
